THINK PERFORMANCE.
THINK SUPERCHARGE.

For me, it's all about performance. So when I choose a battery for my car, 4WD, boat, motorcycle and lawnmower, I want more power and longer life.

With superior more cranking power, the SuperCharge range of maintenance-free batteries now comes standard with innovations like GlassMat technology to virtually eliminate the damaging effects of vibration.

So when it's time to replace your battery, make sure you get SuperCharge maintenance-free batteries for more power and longer life.

If you want performance, do what I do. Demand SuperCharge by name.

Billy Slater
SuperCharge brand ambassador.

Our comprehensive nationwide network consists of over 30 warehousing locations, while a team of dedicated sales and service experts ensures we are well equipped to meet your needs and to exceed today’s demands.

LONGEST INDUSTRY WARRANTY

When you have a product that you fully believe in, it makes sense to back it up. SuperCharge were the first to introduce the 36-month warranty on our Gold Maintenance Free batteries – setting a new benchmark for the industry. Even on our other battery ranges, the quality and care that has gone into producing them means that you are covered for an industry-leading ‘peace of mind’ warranty period.

EXCELLENT VALUE

Our manufacturing efficiencies and nationwide distribution ensure SuperCharge Batteries have an excellent shelf life and shelf price as well. Our batteries offer superior capacity and a longer warranty than others in the market, retaining their charge longer, saving time rotating stock. Our name is trusted, with a large range, allowing resellers to recommend with confidence.

The equation is simple: Reliability + durability + performance = superior value for money.

We value service highly – to both resellers and consumers. Our experienced Support Team are experts in on-the-spot assistance in all areas – providing valuable technical and sales knowledge and prompt warranty resolution. Resellers have access to a dedicated contact in each State or Territory, while consumers connect through our 1300BATTERY hotline. We are here to help.
